## What is the Pre-Masters Course?

The course was developed by the Electrical Contractor Registration Agency (ECRA) and is presented by the Electrical Safety Authority. The Pre-Masters course has been designed to provide a standard training package to assist electricians in preparing to write the Master Electrician's exam, or to improve the qualifications of Master Electricians.

## What should I bring to the course and exam?

- √Calculator
- √Ontario Electrical Safety Code (OESC) 24th Edition / 2009
- √Occupational Health and Safety Act & Regulations
- √Other relevant legislation

## How is the course structured?

The course is divided into twelve modules and references specific sections of the Ontario Electrical Safety Code, Ontario Building Code, other pertinent legislation, electrical calculations, and trade and business practices.

Prior to signing up for the course & exam, review the Master Electrician Licence requirements on our website at [www.esaecra.info](http://www.esaecra.info). Passing the exam is only one of the necessary requirements to obtain a Master Electrician Licence.
